

100 Awesome Chess Moves

This collection of brilliant ideas from real tournaments is not just regular combinations or tactical swindles, but moves of stunning originality. Schiller has selected one hundred awesome moves, and through game positions, examples, and clearly explained concepts, shows players how to improve their grasp of deep positional understandings and swashbuckling tactics. You'll learn how to reinforce your gut instincts, to not just reach for the best move, but the inspired one.
