

American Spring: The Decline, Fall, and Rebirth of the American Empire

The All American Book Series is a collection of political books designed to inform you of threats to your civil rights and freedom. American Spring explores nine key ways politics, federal government policies, social disorder, and a decline in moral values, are destroying democracy in America and threatening your constitutional rights and freedoms. Click the book cover image above to review the Table of Contents and download a free sample. This book is available for download on your Kindle device, PC, Laptop, iPad, Smart Phone, or other mobile device, using a free Amazon Kindle app.
