

The Way of Kings (The Stormlight Archive, Book 1)

In *The Way of Kings*, #1 New York Times bestselling author Brandon Sanderson introduces readers to the fascinating world of Roshar, a world of stone and storms. It has been centuries since the fall of the Knights Radiant, but their mystical swords and armor remain, transforming ordinary men into near-invincible warriors. Men trade kingdoms for them. Wars are fought for them and won by them. One such war rages on the Shattered Plains where Kaladin, son of a surgeon, has been reduced to slavery, and Dalinar, commander of the armies, is plagued by dreams of ancient times, doubting his own sanity. Across the ocean, Shallan, a naive but brave and brilliant young woman, plans a daring theft to save her impoverished noble house from ruin. The result of over ten years of planning, writing, and world-building, *The Way of Kings* is Book 1 of *The Stormlight Archive*, an epic fantasy masterpiece in the making. **THE STORMLIGHT ARCHIVE Book 1: The Way of Kings** Book 2: *Words of Radiance* At the Publishers request, this title is being sold without Digital Rights Management Software (DRM) applied.
