

Seven Life Principles for Every Woman: Refreshing Ways to Prioritize Your Life

The ideal woman outlined in Proverbs 31 is an intimidating standard to uphold. Yet Sharon Jaynes and Lysa TerKeurst do not believe this model is impossible to follow. The authors show how keeping a home is a high and God-honoring calling for business women as well as those who stay home. Through practical advice, Jaynes and TerKeurst outline how women can fulfill the high calling God has placed on their lives.
