

CHAIN A LAMB CHOP TO THE BED: A Diet Club Mystery (Diet Club Mysteries Book 3)

CHAIN A LAMB CHOP TO THE BED
Diet Club Mystery #3 Diet club guru Ellie Bernstein is afraid of heights and that includes climbing on top of a horse. So it is with trepidation that she accepts the offer of her significant other Peter Miller, a Colorado Springs homicide detective to vacation with him for one stress-free week at a dude ranch outside Aspen. Upon reaching the ranch, Ellie quickly makes four enemies: the ranch manager who has a John Wayne fetish; the riding instructor who wears a size three and has a crush on Peter; the plump cook who loathes Ellie for no apparent reason; and a fat white horse named Buttermilk. A dead body found near the ranch's ravine turns out to be a world-renowned artist whom Ellie knew and adored, and to make matters worse, the wife who jump-started his career seems to be missing. To find the murderer, Ellie will need to make friends with a black stallion named Satan before the weight loss she's achieved becomes permanent in a way she's never imagined.
