

## Partnerships Can Be Murder: Charlie Parker Mysteries, Book 3 (Charlie Parker New Mexico Mystery)

USA Today bestselling author Connie Shelton brings the third installment in her popular pet-sleuthing mystery series. Charlie Parker returns from her Hawaiian vacation to find her older brother Ron involved with a much younger woman. The more Charlie sees of cute Vicky, the more she realizes how deceitful Rons new love is. Is it simply a case of male mid-life crisis, or is there something more devious going on? Meanwhile, Charlie doesnt have much time to ponder Rons problems. Her friend Sharon Ortega is a partner in a restaurant business with David Ruiz. When David turns up dead, an apparent suicide, Sharon comes to Charlie for help. Sharons problem is a double-edged sword. If he did kill himself, Davids life insurance wont pay and Sharon will probably lose the restaurant because she cant afford to hire a replacement. But if he didnt kill himself, then it was murder, and Sharon could very well find herself a suspect. Charlie and her sidekick dog, Rusty, partner up to work on the case, a move that ultimately puts them both in danger. Charlie is a fabulous amateur sleuth. -Midwest Book Review
