

Frappe with Philippians (Coffee Cup Bible Studies)

Frappe with Philippians is part of the Coffee Cup Bible Studies, a series of Bible studies for women in compact, workbook format that examine the life and times of certain Bible characters and the books of the Bible that pertain to them. Each study is to be read over a four-to-six week period, and study sections are broken down into short, daily segments designed to fit readers busy lifestyles. Understanding that time is precious, the Coffee Cup Bible Studies are patterned in such a convenient way that they can be read during brief windows of opportunity that allow for meditation and study (breakfast, lunch, coffee breaks, etc.) Scripture is provided from the NET Bible (New English Translation), making Bible study convenient for occasions when you can't carry a Bible. It all started with a woman's prayer group. Its members could not have imagined the legacy they would leave! The church at Philippi, founded on the prayers of these women, supported Paul, the Apostle to the Gentiles, throughout his ministry and is recipient of his warmest letter. In this letter to his beloved spiritual family at Philippi—written with joy even as he sat imprisoned, abandoned, and facing possible execution—see his desire to know Christ and make him known. Likewise, he longs for his friends to share that vision. Frappe with Philippians takes readers on a journey back to first-century Philippi, bringing them face to face with the Son of God who emptied Himself and unites them as a community. In this study, present-day believers get a glimpse of the joy they can experience when the church is united with one focus: seeing humanity's need and making known God's solution in the person of Jesus Christ.
