

## Kitten Kaboodle (Zoe Donovan Mystery) (Volume 20)

Zaks honorary grandmother Nona decides to come to Ashton Falls for the summer. After arriving she meets and befriends an animal activist set on shutting down a kitten mill just outside of town. When the kitten mill owner is found dead on her barn floor, Nona becomes the prime suspect and Zoe sets out to prove her innocence. Kitten Kaboodle is chalked full of humor, surprises, and life changing events, as we discover who really framed Nona, the reason behind a visit from Zaks mother, and Ellies shocking secret.
