

Emily of Deep Valley

Welcome back to Deep Valley! Emily Webster, an orphan living with her grandfather, is not like the other girls her age in Deep Valley, Minnesota. The gulf between Emily and her classmates widens even more when they graduate from Deep Valley High School in 1912. Emily longs to go off to college with everyone else, but she can't leave her grandfather. Emily resigns herself to facing a lost winter, but soon decides to stop feeling sorry for herself. And with a new program of study, a growing interest in the Syrian community, and handsome new teacher at the high school to fill her days, Emily gains more than she ever dreamed... In addition to her beloved Betsy-Tacy books, Maud Hart Lovelace wrote three more stories set in the fictional town of Deep Valley: Winona's Pony Cart, Carney's House Party, and Emily of Deep Valley. Longtime fans and new readers alike will be delighted to find the Deep Valley books available again for the first time in many years.
