

Finding the Real Jesus 20-Pack: A Guide for Curious Christians and Skeptical Seekers

Who was Jesus---really? For centuries, the Christian church has taught that Jesus is the divine Son of God, crucified for sinners and raised from the dead. In recent years, however, that picture of Jesus has come under widely publicized attack from sources ranging from critical scholars to Internet pundits to popular historians and others. The new portraits of Jesus seem persuasive. You cant help but wonder ... Did Christianity merely copy its beliefs from earlier mythology? Did the church suppress alternate gospels? Did Jesus never die on the cross or rise from the dead for sinners? Is the New Testament hopelessly riddled with errors? New York Times bestselling author Lee Strobel helps you separate truth from media hype, sound scholarship from bias, and fact from speculation. Digging below the surface, this book provides credible, informed answers to todays most pressing questions about Jesus.
