

## Goethes Torquato Tasso, Ein Schauspiel: Edited with Introduction, Notes, Repetitional Exercises, and Vocabulary (Classic Reprint)

Excerpt from Goethes Torquato Tasso, Ein Schauspiel: Edited With Introduction, Notes, Repetitional Exercises, and Vocabulary The editor has purposely avoided an analysis of the drama in the Introduction. He believes that this analysis should be made by the students in the course of their reading, and that their critical estimate should not be biased in advance by the editor. The editors own views are expressed in the Notes, and here mostly for the purpose of stimulating independent thought. Some divergent Opinions of the drama will be found in the Introduction, where they have been placed in the expectation that students will be prompted to read the drama in the Spirit of intelligent and sympathetic criticism.
