The War Service of Sherlock Holmes (1917). The collections first US edition adjusts the anthologys subtitle to Some Later Reminiscences of Sherlock Holmes. All editions contain a brief preface, by John H. Watson, M.D., that assures readers that as of the date of publication (1917), Holmes is long retired from his profession of detective but is still alive and well, albeit suffering from a touch of rheumatism. Earlier editions contain seven stories in total; some later editions of the collection also include an eighth story, The Adventure of the Cardboard Box, which was also included in the first edition of in The Memoirs of Sherlock Holmes (1894) but was dropped from later editions of that book. Five of the stories were published in The Strand Magazine between September 1908 and December 1913.[1][2] The Strand published The Adventure of Wistaria Lodge as A Reminiscence of Sherlock Holmes and divided it into two parts, called The Singular Experience of Mr. John Scott Eccles and The Tiger of San Pedro.[3] Later printings of His Last Bow correct Wistaria to Wisteria.
