

Lady Killer (87th Precinct Series)

The detectives of the 87th Precinct are on the clock when a mysterious, threatening letter proclaims its unknown writer will kill an unnamed woman in just twelve short hours. McBain has the ability to make every character believable, which few writers these days can do. Associated Press: Imagine your favorite Law & Order cast solving fresh mysteries into infinity, with no re-runs, and you have some sense of McBain's grand, ongoing accomplishment.
