

Somebody Elses Magic (Lythande)

Although its Lythandes magic thats for hire, not her blade--at least, not the right-hand blade--you dont live long in the lands between Tschardain and Northwander if you dont have some skill with an edged weapon, and she has plenty. A swordswomans mission, however, can sideslip without warning into a magicians ordeal. And may the gods help her whos caught in a web spun by somebody elses magic.
