

Rumble! Zap! Pow!: Mighty Stories of God

This bright Bible storybook highlights the adventurous stories in the Bible and points its readers to God's mighty power. The language is action-packed and kid-friendly, which makes it a great book to read out loud. The short stories, easy-to-read bold words sprinkled throughout each story, and the bright, cartoon-styled art will keep kids engaged. Each story is paired with a Mighty Thought, a simple statement that summarizes the Bible story. (Examples include God made the world; God is always in charge; God is a mighty leader; God rescues his people; God makes his power known). At the end of the story, the Power Words section gives a short scripture that can be used as a memory verse. The story ends with an activity designed for the active child (measure yourself with books and measure Goliath's height with books; make a megaphone from a milk jug to have a loud voice like Jonah needed).
