

## Severed: Cloud Prophet Trilogy, Book 3

Reychel knows her gift of prophecy will lead to madness and now she is at her most vulnerable. The enemy army will attempt to sever her from everything she's ever known: her homeland, her friends, Mark, and her gift. Even at her weakest, she refuses to give up on her desire to end the war between the Malborn and the Serenians. Reychel would do anything, even come back from the dead, to conquer the enemy and reunite with Mark.
