

The Bethany Parallel Commentary on the New Testament: From the Condensed Editions of Matthew Henry

A parallel presentation of three of the most widely respected commentaries ever written. A convenient method for comparing the comments and opinions of several Bible scholars without having to resort to many volumes. A handy, manageable, practical and inspiring reference tool for pastors and Bible students. Includes G. Campbell Morgans outline of each New Testament book. Almost 500 additional sources quoted in appropriate sections throughout the volume. THE ONLY BOOK OF ITS KIND! Background information, original word definitions, inspirational insights and interesting opinion on every Scripture portion of the New Testament from a wide spectrum of evangelical thought.
