

# The Heart of the Story: Gods Masterful Design to Restore His People

The Heart of the Story will help you see Gods Word in a new and inspiring light. In the Bibles seemingly disconnected stories youll discover one grand, unfolding epic - Gods story from Genesis onward, and your own story contained within it. To understand the Bible, says author and pastor Randy Frazee, you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is Gods story, the tale of his great, overarching purpose that fits all the individual stories together like panels in one unified mural. In 31 chapters, The Heart of the Story will open your eyes to Gods master-plan unfolding in the lives of the Bibles characters - and in your own life. Discover the heart of Gods Upper Story, and the joy that comes as you align your story with Gods.
