

## Heritage of World Civilizations, Combined Volume (7th Edition)

For undergraduate level World Civilization or World History courses. This comprehensive yet accessible survey of world history has been extensively revised to provide an even more global and comparative perspective on the events and processes that have shaped our increasingly interdependent world. Written by leading scholars in their respective fields, Heritage of World Civilizations 7e, combines unusually strong and thorough coverage of the unique heritage of Asian, African, Islamic, Western, and American civilizations, while highlighting the role of the world's great religious and philosophical traditions.
