

The Odyssey Rendered into English prose for the use of those who cannot read the original (Illustrated): Classic Edition

This book is part of the classics series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At tradition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to tradition. To support their good work, tradition donates a portion of the proceeds from each sold copy. As a reader of a classics book, you support our mission to save many of the amazing works of world literature from oblivion.
