

THE MEMOIRS OF SHERLOCK HOLMES (illustrated, complete, and unabridged with the original illustrations)

The Definitive Edition of THE MEMOIRS OF SHERLOCK HOLMES -Illustrations by Sidney Paget from the first edition -Complete, unabridged, and formatted for kindle to improve your reading experience -Linked table of contents to reach your chapter quickly -Includes all 12 mysteries including The Adventure of the Cardboard Box (some editions are missing this) To my mind, this is easily the best collection of Holmes stories ever assembled. The variety of the stories are great and, as always, excellently written. What I like most about it is that it reveals many stages of Holmes life. John Darling This is the second collection of Sherlock Holmes short stories and it is even better than the first as it becomes a bit more than simply solving mysteries as we find out more about Sherlock Holmes life and his character is developed. Dan This collection presents many of the most familiar cases Holmes and his assistant, Dr. Watson, ever solve, including Silver Blaze, The Greek Interpreter, and The Musgrave Ritual. As Holmes fame grows, it brings him notoriety that piques the ire of Londons criminal underworld, who begin to scheme against him. It is in The Final Problem that Dr. Watson relates the grisly, fatal, and shocking tale of how Holmes finally meets his match, encountering the diabolical Professor Moriarty in a terrible struggle at Reichenbach Falls. Lori Caswell Memoirs holds its own as a great classic short story collection. Greatdetectives.net THE MEMOIRS OF SHERLOCK HOLMES features 12 classic stories in a specially designed edition for kindle. These are Conan Doyles masterpieces which will intrigue and delight you. Read them as they are meant to be read: complete, and unabridged with illustrations from the first edition.
