

# The Wisdom of Andrew Murray Vol I: Humility, with Christ in the School of Prayer, Abide in Christ

Collected here in omnibus edition are three of Andrew Murray's most important books. Included here are *Humility*, *With Christ in the School of Prayer*, and *Abide in Christ*. I pray earnestly that our gracious Lord may be pleased to bless this little book, to help those who seek to know Him fully. I pray still more earnestly that He would, by whatever means, make the multitudes of His dear children who are still living divided lives see how He claims them wholly for Himself, and how the wholehearted surrender to Him alone brings unspeakable joy and glory. *With Christ in the School of Prayer*: It is under a deep impression that the place and power of prayer in the Christian life is too little understood that this book has been written. I feel sure that as long as we look on prayer chiefly as the means of maintaining our own Christian life, we shall not know fully what it is meant to be. But when we learn to regard it as the highest part of the work entrusted to us, the root and strength of all other work, we shall see that there is nothing that we so need to study and practice as the art of praying correctly. Humility is the most overlooked teaching of Jesus Christ. In this book Andrew Murray explores how essential humility is to the understanding and practice of Christianity. Perhaps the best book ever written on the subject.
